Membership 2017 / 18

The Dryandra Country Visitor Centre has a big refurbishment planned for 2018. We will see more local stories and history displayed, which is what visitors have told us they want to see.

Through the help of a wonderful crew of volunteers, we are open all but a few days a year. We are in the highest ranked category of Visitor Centres in Australia, and we continue to work to promote the region, and answer the questions of our international, intra, and interstate visitors.

We keep in operation partly through the fees gathered from membership like yours, so we'd really value your support again in 2017/18. We know from extensive research undertaken by Tourism WA that tourists who come into visitor centres **each spend over \$129 more in the region.**

We are a not for profit organisation, which means you can claim your membership at tax time.

Please find a form behind this page.
